COMMITMENT TO ETHICAL CONDUCT

Our Children are the most important gifts God has entrusted to us. I promise to follow strictly the rules and guidelines in the Ministerial Responsibility Requirements: Code of Ethical Conduct for Clergy, Employees and Volunteers Working with Minors as a condition of my services to the children and youth.

I understand that since I may be working with minors, I will be subject to regularly to a thorough background check including criminal history. I understand that any action inconsistent with this Code of Ethical Conduct or failure to take action mandated thereby may result in my removal from position working with minors.

I further understand that I may, as condition of continuing in my position, be required to participate in education and training provided by the parish, school or agency with which I am associated.
